To The Graduates of 1957:

There can be little doubt that each of you, at one time or another, has asked yourself the question, "What am I going to get from my high school education, or what can this education do for me?"

As I see it, education will contribute certain fundamentals to your way of living. Life is becoming more complex, and education has always been closely related to living, therefore, greater learning will help you to be an asset to society.

It is our earnest wish, that all of us responsible for your education, have helped you attain these fundamental dividends and profits, and that your possession of them will help you discover the finest and best life can offer.

Sincerely,

THE CLASS HISTORY AT LITITZ

Think back! Do you really know what you thought or how you felt that day in September 1945, when you entered school for the first time? There we were, a band of unscrupulous little monsters, awaiting the first demands of our teachers.

With our teachers' encouragement we began our singing careers by performing in Christmas and spring musicals, while our parents looked on in astonishment and bewilderment. All of us remember the concerts of our tonette band under the leadership of Mr. Steiner.

Will we ever forget the memorable Palmer Method of writing, taught to us by Miss Garner? How we tried to move our generators instead of our fingers!

During sixth grade we came under the influence of Mr. Stark and Mrs. Arntz. That year we did much, including our trip to Philadelphia and our roller skating parties.

Under the capable leadership of our elementary teachers, we were ready to enter junior high. We will always hold in high esteem the memory of Miss Hensel, who is now deceased, and Mrs. Arntz, who is retired.

In junior high we collided with Mr. MacNicoll and Miss Enck. What a surprise we had in store for us! With Miss Enck's pills and Mr. MacNicoll's paddles we soon learned that we were in school for education and not play. Rolling along in a streamlined school bus, we found ourselves on the battlefield of Gettysburg. The end of eighth grade was high-lighted by Marilyn and Bob's receiving the Legion Awards.

In the beginning of our freshman year we fell into the merciless hands of those atrocious sophomores. Our first attempt at a social affair was our freshman frolic, "Stairway to the Stars," which proved to be quite a success.

Well, on to our sophomore year. Remember all the frogs' legs, hanging outside Mr. Dechert's windows? On our bicycle-built-for-two, we left the present and went "Way Back When," which was the name of our sophomore dance.

Our junior year found us in a whirl of events. The first memorable event on the agenda was the cotillion, "Ankles Away". With all our debts and financial troubles we went "Money Mad," which was the name of our play. In May came the unforgettable prom, which we had anticipated since entering high school, followed by the post-prom frolic held at the Recreation Center.

CLASS HISTORY AT WARWICK TOWNSHIP

As we look into the past, one of our most exciting moments was that first day of school. At first we were shy and awkward, but after we got to know each other we were intrigued by the idea of school. Our annual Christmas program and the last day of school proved to be the most important events in our first four years at school.

In fifth grade, with Mr. Coulson as our teacher, we enjoyed participating in our own track meet against the sixth grade. This was a real challenge toward the future.

In seventh grade we took our first class trip, which was to the Ephrata Cloisters. Our guide explained to us the simple way of life used among those who lived at the Cloisters.

We did our final preparing for high school with Mr. Long as our teacher. In October we had our first hayride with Jack's Snack Bar as our goal. Philadelphia's

being our destination on the annual class trip, we visited the Betsy Ross House, Independence Hall and many other memorable buildings. At the end of eighth grade we were excited when Barbara Bushong and Raymond Vatter received the Legion Awards.

In our memories of our freshman year with Mrs. Auman as advisor, initiation seemed to be the most momentous occasion. We looked rather odd, and we will never forget those famous words "On your knees and praise the seniors." A hayride, ending with a doggie roast at the Dutchs' was a huge success. On a trip to place of interest in Lancaster we improved our knowledge of civics. Proving to be the best salesmen that year, we received top prize in the Curtis Magazine Campaign.

Our sophomore year was under the direction of Mr. Klopp and his unforgettable philosophical stories. Everyone worked off some excess energy helping plan our sophomore dance, "Moonlight Whirl", which was very successful. For our class trip we traveled to Gettysburg, where we explored the famous battlefield and memorials.

Mr. Gaus guided us through our junior year. It was not unusual for Mr. Gaus to find the whole floor shaking during our classes with him. The dance floor was crowded for our dance, "Turkey Trot", which indicated that it was a success. Harrisburg was the destination for our class trip, with a stop at Hershey Park. "Twixteen", our junior play, was successfully performed and added to our income. The Prom, "Moonlight Serenade", ended the memorable activities at Warwick Township.

Our Senior Year

Arriving at our destination, the new school, we found ourselves with maps in our hands looking over a sea of new faces. Unknown to us at the time they turned out to be our classmates.

We, the senior class, were all proud to have had a part in winning the first basketball trophies for the new school's trophy case.

Beginning our calendar of events was the production of "Cupid in Pigtails" which was directed by Mr. Garman. With peanuts, clams, and play tickets we seniors found ourselves buzzing around as busy as bees.

Just around the corner from the play we found ourselves in the midst of preparations for the cabaret. We were all glad to see that after all our hard work and preparation, it was enjoyed by all.

May 31! Will that day ever be forgotten by our class? The junior class sponsored a terrific dinner-dance for us at the Brunswick which was followed by the Post Prom Frolic at the school cafeteria.

Concluding our activities of the year was our class night. We will always remember it as an evening of festivities for young and old alike.

Tripping down the aisle over our two left feet, we received our diplomas with trembling hands.

This was the climax which we had anticipated for twelve long years, but we will remember them as the best years of our lives.

Class Poem for the Class of '57

Our lives are like some wind-blown chaff,
Unguided and undirected,
Until a gentle zephyr
Lifts our existence out of a meandering path
To the road that leads to our life's goal.
That zephyr can be many things:
An inhibited act of courage—
The unspoken feeling of true friendship—
A realization of the beauty of nature—
Or perhaps the deep, sweet feeling of true love.
But that zephyr, whether noticed or unobserved
Is a direct act of God.
It is planned that way.
If we could realize that it was He
Who gave to us that pointed direction,
We would be eternally grateful
To the Benefactor of man.
So, whenever our lives take an upward turn,
Be sure it is not Fate,
But God.

Jack Russell Markert

To thee dear Warwick High School,
We bid a fond farewell.
We leave with memories
Of the halls with noises filled.
The friends we've made,
The things we've learned
Will last throughout our lives.
Our life's success we'll owe to you,
Our grand, new Warwick High.

JUNIOR VARSITY FOOTBALL

The Junior Varsity football team, coached by Mr. Kambic and Mr. Rider, ended a successful season boasting a 4—0 record. The team, which was composed of sophomores and juniors, showed promising results of a championship football team for Warwick High School in the very near future. Although the team was under the leadership of a different captain during each game, they showed their willingness to cooperate and to follow instructions by winning every game they played. The closest game played was against Columbia, but the team showed their determination to win by holding Columbia to six points while totaling seven themselves.

On March 1, 1957, the Warwick Warriors won the Lancaster County Basketball Championship. On March 12, Warwick defeated Manchester High School, York County champions, to advance to the District 3, Class "B" P.I.A.A. finals. Lacking height, with injuries to one and sometimes more than one of the players throughout most of the season, Warwick, with fine team play and spirit, rolled up 23 wins to 3 losses. Before losing to Palmyra Palms in the District 3 finals, Warwick had captured 16 straight victories. The last five of which Warwick was supposed to lose.

Captain Ed Harnly led the team in spirit and also in total points (501), average points per games (19.2), rebounds (424), and shots made percentage (43.2%). Even though he was the leader in these departments the other four players on the team came through in championship style as the record books show.

Warwick To Give Height Camp Hill In Saturday

SPORTS

44-LANCASTER, PA., NEW ERA—THURSDAY, MARCH 7, 1957

Warwick was considered the favorite to win this year's PIAA basketball championship. The team, coached by Dean Miller, had a record of 27-10 and was ranked first in the state. Their only loss was to the defending champion, Lehigh Valley, in the first round of the playoffs.

Warwick's strength lies in its height and rebounding. The team has a front line of three players over 6 feet tall. In the first half of the game against Camp Hill, Warwick's height was a major factor. The team scored 12 points in the first half, while Camp Hill scored only 6.

Although Harnley scored 12 of Warwick's 16 points in the first half, it was their only four field goals. The team's defense was also strong, holding Camp Hill to 10 field goals in the first half.

Warwick's victory was a testament to their hard work and dedication. The team had a long season, but they never gave up. They were determined to win the championship, and they did it in a thrilling game.

An inspired Warwick High School basketball team way with Columbia's defending titleholders in the half a 55-40 victory last night that gave them the League Championship before a capacity crowd at the McKeeney Auditorium.

The play of Kenner, Coach Dean Miller, and the team's defense were the key to their victory. Kenner, a senior, scored 12 points and was the team's leading scorer. Miller, the coach, was praised for his tactical decisions and his ability to motivate his players.

The game was a physical one, with both teams fighting hard. Warwick's defense was particularly strong, holding Columbia to 10 field goals in the first half. The team's rebounding was also a key factor, as they were able to secure the ball after every missed shot.

Warwick's victory was a well-deserved one. The team had a long season, but they never gave up. They were determined to win the championship, and they did it in a thrilling game.

However, we did have the honor of having Howie Good winning the Inter-county singles championship.

Also participating in the Central Pennsylvania League, the netmen faced keen competition, but finished with three wins against three defeats.

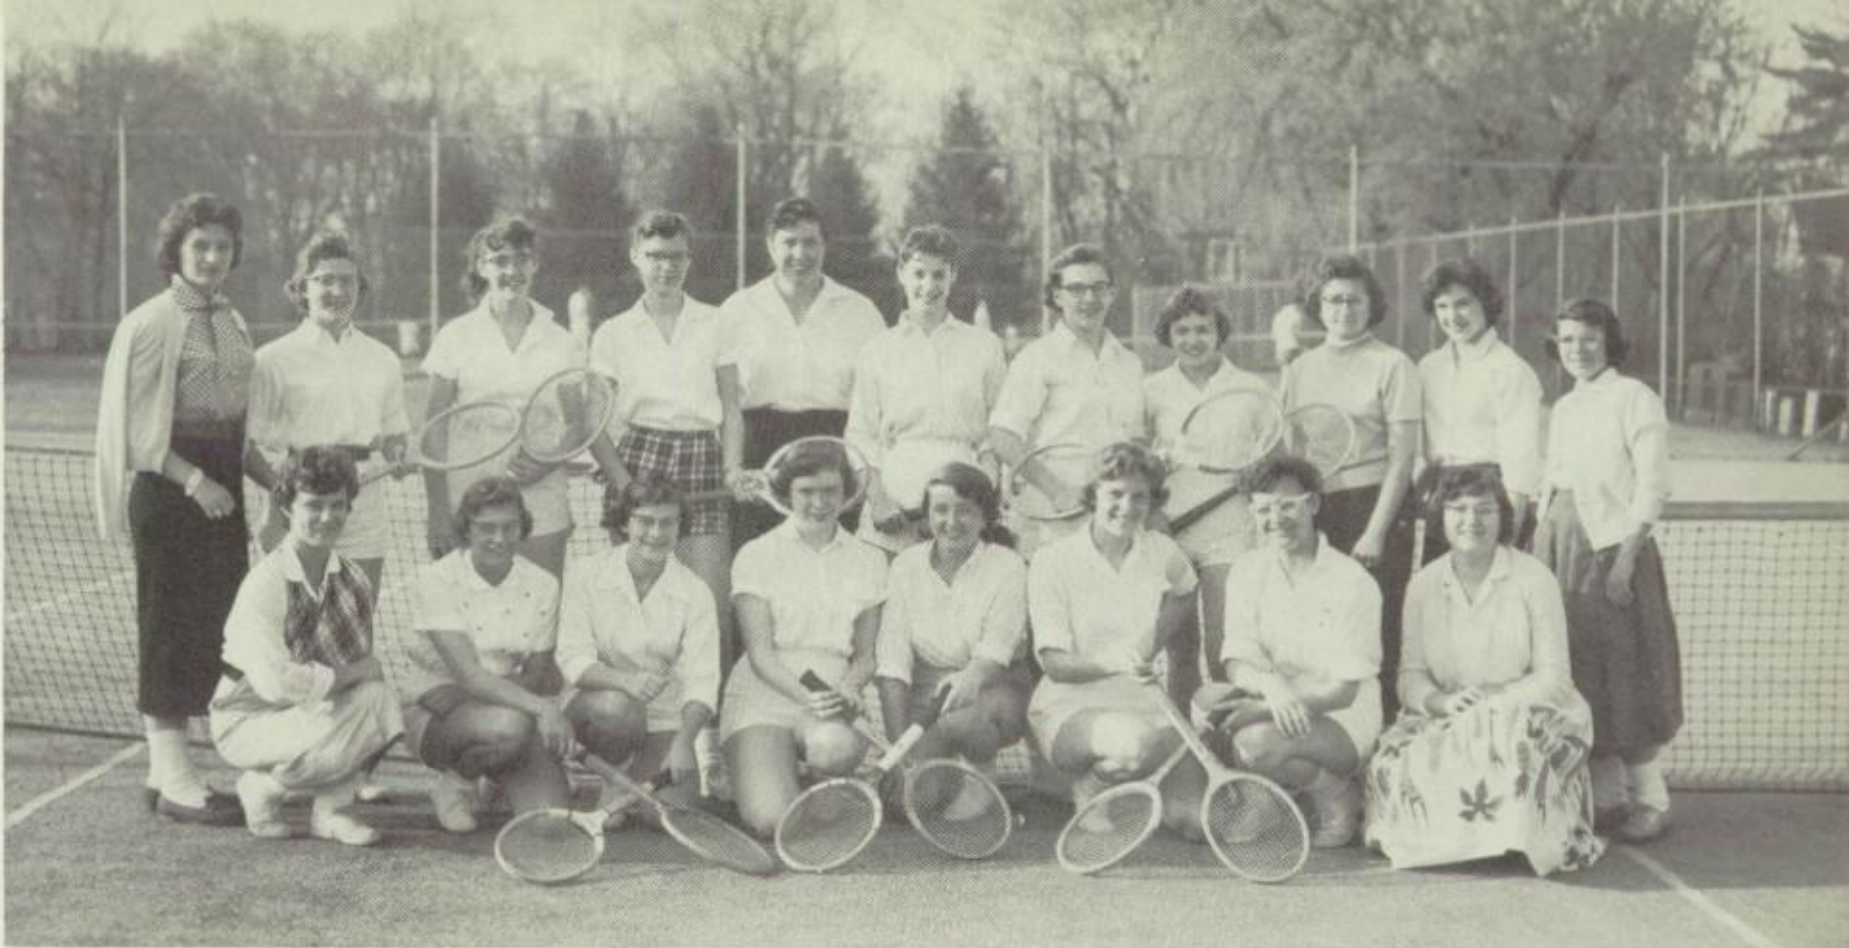

The veterans returning are Barry Sensenig and Bill Grosh. They will also receive support from Glenn Badorf, Barry Rhoads, and Fred Ruebman.

This year's girls' tennis team under the direction of their new coach Miss Johanne Smith, had a schedule of seven games. The regular match consisted of five singles and two doubles. Although the girls were not placed in a special league, their playing opponents were Elizabethtown, Donegal, Country Day, and Manheim Central.

Every week they had challenge matches to determine their height on the tennis ladder. According to this ladder method, the top seven girls were Pat Kauffman, Lucy Hall, Joyce Rannels, Mary Alice Diehm, Carol Morgan, Emma Witwer, and Brooke Minnich.

We hope that the girls finish with a successful season, not only this year, but in the future years also.

Our last high school performance was entitled "Cupid In Pigtales", a three-act farce which was presented on March 8 and 16, 1957, in the Warwick High School. We were privileged in presenting the first performance held in the new auditorium.

The play centered around Suzy McAdams, a dynamic twelve-year-old, and Squeegie Squires, Suzy's side-kick. These two resorted to all kinds of tricks to keep Suzy's brother and sister from falling for April and Beaseley Fogg, children of a sophisticated businessman. Of course they shrewdly managed to do so in spite of many difficulties, and all ended well. The following was the cast of characters: Suzy McAdams, Susan Beck; Todd McAdams, John Gibbel; Gail McAdams, Sally Sue Templeton; Mabelle McAdams, Judy Ruebman; Dorothea Vanderford, Mary White; Rolls Sappleton, William Dengler; Murchison Fogg, Kenneth Hufford; April Fogg, Darlene Blauch; Beaseley Fogg, David Weaver; Pete Farley, Douglas Minnich; Beth Farley, Anita Zug; Squeegie Squires, Bruce Horne; Ollie May Squires, Mary Alice Diehm; Gertie Groot, Phyllis Koser; Carter Prescott, Roger Gerhart.

Mr. Scott Garman, our capable director, deserves much credit for helping to make the play a success.

The Vocal Music Department has been doing a tremendous job this year. One of the most outstanding features of the year took place December 16. That was the first candlelight service ever presented by a musical organization in either the Lititz or Warwick school districts. Another first was the presentation of "My Fair Lady" for the Spring Concert which is held annually. As far as the Glee Club and Choruses are concerned, this year has been quite a success.

Candidates for the club must be a junior or senior in high school and must have a scholarship average of B. Members are elected by a chapter council, consisting of the principal and members of the faculty. In future years the club will organize, elect officers, and sponsor projects. Membership in this club is a good recommendation for college entrance besides giving the students an opportunity to strive to fulfill the characteristics of the club—scholarship, service, leadership, and character.
